How Our Service Works

We will make it as simple as possible by showing you a few designs and asking you to choose which you prefer. We ask for the content to be supplied in word or pdf. We can scan any photos that you may have*. We will then produce a visual proof for you to check and amend where necessary. Once you have approved the proof we will print your Order of Service. The final proof of your Order of Service will need to be signed off a minimum of 2 working days prior to the funeral date.
